Our plastic tableware products are recyclable where facilities exist. Recycling facilities may not exist in your area. Please support recycling in your community.

Single Serve Portion Trays

Single serving portion trays enhance your serving line by offering a large variety of shapes and sizes. Trays stack easily and allow for pre-portioning. These versatile trays will help reduce excess inventory by fulfilling many applications in your facility. Trays can also be used for patient pill distribution. **Suitable for hot and cold foods.** Check with your local recycling facility to ensure these containers will be accepted.
