EcoSense™ FDA Compliance and Recycled Content

WNA's EcoSense™ plates and cutlery line is made from an FDA-compliant, 100% recycled Polypropylene (aka "PP") material. It carries the recycle symbol #5 and can be recycled where facilities exist.

The recycled polypropylene material used in EcoSense™ product line meets FDA compliance requirements as stated in the Code of Federal Regulations under 21CFR177.1520 and can be safely used in contact with food in accordance with its intended use.

Sincerely,

WNA
