

*Deli Containers with printed Deli Serve™ bags are ideal for retail applications!*

- Made in the USA. Manufactured and shipped from Chattanooga, TN.
- Microwave safe, these containers go from storage to presentation with ease.
- Made from polypropylene (recycle symbol # 5) which is light weight & durable while being easier to recycle.
- Ideal for use across various industries: delis, grocery stores, restaurants, take-out, confectionary & much more.
- Top-shelf dishwasher safe.
- Universal lid fits all containers for single-stocking convenience.
- Institutional packs for foodservice use (non-printed bags) are also available from WNA.
