FINESSE™
DINNERWARE

Introducing the first full line disposable dinnerware offering made from Polypropylene (PP) ♺5 . With a lower carbon footprint, PP is recognized as a 'greener' disposable solution.

Additionally, Finesse™ plates and bowls contain a natural mineral additive for additional eco-friendly benefits. This line addresses the need for alternative plastic material solutions in communities that have banned Polystyrene (PS) ♺6 .

Additional features and benefits

Impress your customers with the ability to microwave foods on Finesse™ dinnerware!

Durable heavyweight construction with a deep profile is ideal for heavy or saucy foods.

The visually-appealing design effectively complements food presentations: Finesse™ black matte finish 'dresses up' lasagna and Caesar salad as well as perfectly presenting a hamburger and fries meal!

Smaller case packs result in less storage space and lower financial investment.

The full line offering, including complementary cutlery, addresses almost any food application: from cold desserts to fruit salads to warm and cold entrees. 3-compartment options in 9" and 10.25" round allow for sides to be merchandised with entrée on one plate.
