

COFFEE KITS

Perk Up Your Morning with King Packaging™ Coffee Kits

King Packaging™ coffee kits are ideal for hotel in-room coffee service as well as hospitality kits for to-go coffee service.

- Assembled and shipped from Bremen, GA with superior quality and service.
- Stock coffee kits available in a variety of configurations.
- Customize your coffee kit with specific components or custom graphics.
- Kits have generous overwrap to ensure a tight and secure seal.
- Overwrap film is moisture resistant and easy to open.

King Packaging™ branded condiments offer the most cost effective way to customize your kits. Stock King Packaging™ branded condiments include:

Stirrer, Napkin, Sugar, Non-Dairy Creamer, Aspartame Sugar Substitute (equivalent to Equal®), Saccharin Sugar Substitute (equivalent to Sweet & Low®)

Kits can contain any condiments you desire - from coffee packets to specific branded condiments. Simply supply King Packaging™ with the components you desire or we can source them for you.

 Available in Custom Print

Take your customized coffee kits to the next level by custom printing the film with your logo and design! Increase brand awareness and give your guest a custom feel with their Cup of Joe!

- Superior custom overwrap film graphics are eye appealing and can be printed in up to 4 colors.
- Custom printed film requires a minimum order of 35,000 kits.
