Eco-Grab N' Go

Par-Pak and your School District have joined together to help make your community become more environmentally friendly

Your School District has purchased Par-Pak's Eco-Grab N' Go containers because they were designed to be more economical, functional and environmentally friendly. With all plastic packaging there are 3 cornerstones of minimizing environmental impact, these are:

Reduce Reuse Recycle

The Eco-Grab N' Go containers are made with 20% less plastic than the industry standard, which in turn has the following benefits:

- ◆ Reduces the amount of product into the waste stream
- ◆ Reduces the amount of energy used from manufacturing to recycling

* Compared to our regular containers
