

Finally, you can drop the china...

Introducing Masterpiece™ bowls

The only upscale dinnerware available that combines the elegance and refinement of painted china with the convenience of a premium disposable now offers a matching printed 10 oz. bowl.

Masterpiece™ bowls are available in two stock prints, elegant Premiere design of gold printed on ivory and contemporary Silver Collection design of silver printed on white.

Masterpiece™ dinnerware features printed accents and delicate fluting that enhance food presentations and distinguish table settings with style and grace.

As a heavyweight, single-service product, Masterpiece™ provides a solution to the costly and labor-intensive concerns of china, including breakage, transport and cleanup. Complete your presentation with the Masterpiece™ 6-piece matching table setting and coordinate with Reflections™ single-use silver cutlery and serving utensils.
