

Packaging That Really Delivers

Our expertise with different manufacturing processes and a wide variety of materials offers you the broadest range of packaging solutions in the industry. WNA...we bring more to the table.

Enhance your food presentation and grow your take-out business by providing quality, ready-to-dine packaging from WNA. WNA is your single source partner meeting virtually any take-out packaging need including; single entrees, complete dinners, salads, side items, desserts and beverages.

Choose from our broad selection of stock products or work with us to design a custom package to meet your exact requirements. By partnering with national chains, WNA creates take-out products that ensure meals arrive home in restaurant-quality condition.

From Concept to Completion our development team will work with you on-site to create a functional and easy-to-use total packaging solution. Call 1-800-854-3064 for additional information.
