

*Reflections™ Service in Style*

- ◆ *All of the benefits of a disposable without sacrificing style!*
- ◆ *The remarkable shine and elegance of stainless steel utensils, plus a unique alternative to black, clear or white disposables.*
- ◆ *The elegant fluted pattern on the Serving Utensils matches perfectly with Reflections™ cutlery.*

*With Reflections™ Serving Utensils, WNA now offers more ways to capitalize on the overwhelming popularity of Reflections™ the patented\* single-use silverware.*

*Serving utensils enhance carry out, drop and go, and off-premise catering presentations. Stainless steel utensils require additional labor, have a high percent of accidental disposal, and economical options often lack a quality appearance.*

*Reflections™ utensils are the only solution addressing both the need for a formal presentation and the high costs associated with renting or owning.*

- ◆ **Unique tong design is engineered for enhanced strength and durability.**
- ◆ **Clever hook conveniently secures tong on edge of bowl or tray.**
- ◆ **Gripping texture provides secure food lifting.**

*Product Specifications*

*Disposable Plastic...Looks Like Silver!*

	Item	Description	UCC Code	Case Count	Case Cube	Case Weight
