

MILÄN™ COCKTAIL PLATE BY WNA

SQUARE WITH FLAIR

WNA brings the latest trend to the table...
Milän™ Cocktail Plate

The thoughtfully designed plate allows for many versions of stemware or cocktail tumbler - disposable or permanentware - to sit in a deeper recessed well for stylish user convenience and greater tumbler / stemware stability.

Coordinating WNA Drinkware:

Classic Crystal™ Tumblers and Stemware

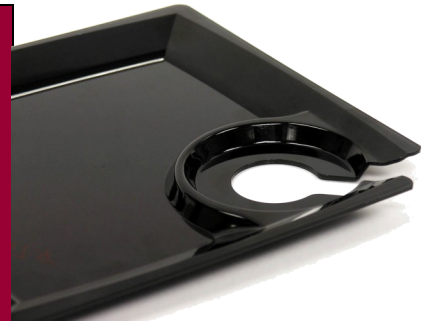

Classicware® One-Piece Stemware

Frost-Flex™ Tumblers

Comet™ Tumblers and Stemware

Brite-Lite™ Tumblers

Classicware® and Masterpiece™ Coffee Mugs

MILÄN™ Cocktail Plate is ideal for events where sit-down service or tables are not available, such as buffets, cocktail parties, stationed presentations, and passed appetizer events.

Milän™ dinnerware is an elegant yet modern disposable alternative to fine porcelain and china. Eliminate all the hassles of permanentware (transportation, clean up, accidental disposable and breakage) with WNA upscale disposable products.
