

Safe, Secure & Fresh is Evident!

Tamper Evident Containers

Keep Food Safe and Secure

Smart-Tab® innovative pull tab works just like a soda can tab, but the lid is resealable again and again.

- Smart-Tab® pull-tab stays raised when open
- Eliminates tear strips and the need for shrink bands
- Innovative pull-tab and secure lid makes it easy to open and reseal
- Leak resistant design locks in freshness

Lid option available to close and seal at store level

KEEP FOOD SAFE AND SECURE WITH OUR TAMPER-VISIBLES

What is rPET?

PET is a strong, durable and recyclable material that is used for a variety of essential products like tamper-evident food containers, produce jars, cups and bottles. rPET stands for recycled polyethylene terephthalate, or recycled PET. As the most readily recyclable rigid plastic available in the market, PET and rPET can be recycled at higher rates than similar polystyrene products. For this reason, rPET and PET are among the best material choices for supporting the circular economy. Customers choose to purchase rPET products because they want to be part of the solution for packaging sustainability!
