is Your **NO WORRIES** Solution

Help Us to Help You

Cutlerease™ lease program allows us to track and ship dispensers quickly and directly to a customer's door. Your sales rep will know when the dispensers are arriving, so they can plan to set up and train staff on the system.

Unsure if Cutlerease is the Best Option for You?

Our lease has a 30 day trial period written into your agreement, just let us know if you would like a trial run. Sign the lease and we can review after 30 days if this is the best option for you!

We Have You Covered

Returns, Repairs, Replacements.
While we do not expect you to experience any troubles with your Cutlerease™ dispenser, your mind will be at ease! In the event that there is a return or replacement needed, we handle it at no charge with one easy call.

Change of Plans?

We kindly ask for 30 days notice if you decide to move away from Cutlerease™. While we would be sad to see you go, we understand that changes can happen and we are here to support you!
